

JBI Systematic Review Title Registration Form

Title: The work of nurses in Australian schools: A scoping review.

Centre: Edith Cowan University

Primary Reviewer

Name: Dr. Anita Moyes, RN.

Email: A.Moyes@ecu.edu.au

Question: What does the existing literature reveal about the work of nurses in Australian schools?

PICO

Population: Enrolled nurses and registered nurses based in or undertaking frequent and regular in-reach into schools, irrespective of job title.

Intervention: Intervention & Phenomena of Interest (comprehensive)

Concept: All nursing activities and interventions provided to children, young people and their families.

Comparator: No comparator (qualitative review)

Context: Australian schools, including primary, secondary and education support schools in both the public and private education sector.

Outcome: Outcome & Context (comprehensive)

As this is a scoping review protocol, any outcome is of interest.
