Give the Gift of Global Evidence-Based Healthcare Education

The JBI Colloquium 2025 Kochi – 19 - 21 November – is a prestigious, international event bringing together a diverse, multidisciplinary community of healthcare professionals, researchers, and decision-makers from around the world, to explore the theme **Diversity in Healthcare, Unity in Evidence**.

Together, we'll examine the critical role of culturally relevant, inclusive evidence-based healthcare in driving global improvements in health outcomes.

Who will you help?

You can help drive more equitable access to evidence-based healthcare through your sponsorship.

Your sponsorship will support local participants to attend a high-calibre international event, engage with world-renowned speakers, build global networks, and participate in all aspects of the JBI Colloquium Kochi – including plenary sessions, workshops, Welcome Reception, Gala Dinner, accommodation and networking.

It's more than a seat at the table – it's an investment in global collaboration, evidence-based practice and stronger healthcare systems.

How will people see your brand?

The JBI Colloquium in Kochi is expected to welcome over 300 participants from around the world, creating a unique opportunity to connect with practitioners, organisational leaders, policymakers, researchers, and funders from more than 40 countries.

As a sponsor, your brand won't just be visible at the event – it will be showcased to the broader JBI global community, reaching over 10,000 members and followers worldwide, amplifying your impact and visibility across the international evidence-based healthcare landscape.

Become a sponsor

There are three packages available to support local attendees to the JBI Colloquium Kochi.
